ABOUT RISHIKESH

Rishikesh is a city in India's northern state of Uttarakhand, in the Himalayan foothills beside the Ganges River. The river is considered holy, and the city is renowned as a center for studying yoga and meditation. Temples and ashrams (centers for spiritual studies) line the eastern bank around Swarg Ashram, a traffic-free, alcohol-free and vegetarian enclave upstream from Rishikesh town.

HOW TO REACH

BY AIR

Dehradun Airport or Jolly Grant Airport is the closest airbase to Rishikesh, which is approximately 20 km away. Prominent carriers like Air India Regional, SpiceJet and Jet Airways have flights from New Delhi on a daily basis. Travellers, after reaching the airport, can hire taxis or opt for bus services, which are easily available from here.

Indira Gandhi International Airport at Delhi is the second closest airport to Rishikesh (250 km away), which is well-linked with all prime cities in India and across the globe. Prepaid taxis, cabs and buses are easily available from New Delhi to Rishikesh.

BY ROAD

Rishikesh has an excellent network of buses linking it with all the major cities and towns nearby. Luxury as well as normal deluxe buses are easily available from New Delhi's ISBT Kashmiri Gate at regular intervals. Connectivity via buses is so good that tourists prefer to travel by road, add to this convenience and the fact that buses happen to be more cost-effective and you'll know why this mode of transport is making the others look pale in comparison. Travellers can also consider driving up to Rishikesh via NH 58 from Delhi and other cities.

BY TRAIN

Rishikesh has its own railway station but it is not connected to major Indian cities apart from Haridwar. So, the nearest major railhead is in Haridwar, which is well-connected with cities like Delhi, Mumbai, Lucknow and Varanasi via an extensive network of trains. Some popular trains that run from Delhi to Haridwar include Shatabdi Express, Jan Shatabdi, and Mussoorie Express, among others. The Haridwar railway station is barely 20 km away from Rishikesh and taxis and buses are easily available from outside, which takes less than 40 minutes.

ABOUT AIIMS RISHIKESH

Set on the tranquil and divine banks of the Ganges , AIIMS is strategically located to address regional healthcare problems in the state of Uttarakhand. It was established under the Pradhan Mantri Swasthya Suraksha Yojna's first phase and mandates to be a Centre of Excellence in medical education, training, healthcare and research.

Rishikesh, known as the 'Yoga Capital of the World', offers you the chance to deepen your connection with Mind, Body, and Soul. The enchanting experience of the Ganga Aarti, a ritual of devotion performed on the banks of the Ganges every evening is worth attending.

During your stay, we encourage you to explore the nearby getaways that offer a perfect respite from conference sessions. The lush greenery of the surrounding forests, the awe-inspiring views from Kunjapuri Devi Temple, and the stunning sight of the Neer Garh Waterfall are just a few gems waiting to be felt and experienced.
